

R. C. SWIMMING CLASSES WILL BEGIN JUNE 15

The Adams County chapter of the Red Cross announced today it already has enrolled 270 youngsters for its summer swimming classes that will open June 15 and expects the total number of pupils to go over 1,000 as it did last summer.

The summer water safety program is being set up under the direction of the chapter's water safety chairman, Miss Helen Louise Strieby, New Oxford R. D. The water safety classes which will use the Battlefield swimming pool, the Gettysburg College pool and Crouse's pool at Littlestown are being scheduled to run for six weeks. Morning and afternoon classes will be for school-age youngsters while evening classes for adults will be set up again.

The college pool will be used for afternoon classes for junior and senior swimmers and intermediates while the Battlefield pool will be used daily from 9 a.m. through 1 p.m. chiefly for beginners. That pool will be used in the evenings for the adult classes also. Schedules have not yet been set up for the pool at Littlestown.

The Red Cross issued an appeal for volunteer instructors again this year. "It was only through the help of volunteer assistants last year that we were able to carry on the most extensive water safety program the chapter ever has undertaken," a chapter spokesman said.

The first 270 to register for the classes this year are chiefly scouts and members of a group sponsored by the Bendersville PTA.

ORGAN RECITAL HERE SUNDAY

John W. Sankey Jr., a senior from Pitman, N. J., will be presented by the Gettysburg College Music Department in an organ recital Sunday evening at 8:30 o'clock in Christ Chapel.

Sankey, a pupil of J. Herbert Springer, of Hanover, will play Johann Pachelbel's compositions, "Toccata" in E Minor and "When in the Hour of Utmost Need" and John Sebastian Bach's "Trio Sonata in E Flat Major" and "Toccata in F Major" for the opening program.

Miss Florence Duckworth, soprano and a senior from Philadelphia, will be heard in the second portion of the program. Her selections will include: "Come Unto Him" from the Messiah by Handel and "With Verdure Clad" from The Creation by Haydn. She is a pupil of Miss Marie Budde.

In the final part of the program, Sankey will play the following selections: "Jerusalem, Thou High Built City" by Sigfrid Karg-Elert; "Pastorale" and "Lied" by Louis Vierne; and "Toccata" by Leo Sowerby.

The recital is open to the public.

"Love, Valor And Tears" For Lions

One hundred twenty Gettysburg Lions and their ladies attended a Ladies' Night meeting Monday evening at the Hotel Gettysburg when a group from Gettysburg College presented a program on songs and poetry of the Civil War Days.

Titled "Love, Valor and Tears of the Blue and Gray," the program included readings by Prof. Joseph Wolfinger with vocal and instrumental musical selections by a group of a dozen college students. The program took the audience "behind the lines" of the Civil War armies and recalled battle songs and ballads of the war days.

President John C. Stahl presided at the meeting. An auction was announced for next Monday and plans announced for a tour of the New Cumberland Army Depot May 18.

Occupants Unhurt In Car-Truck Crash

Damage totaled \$1,800 when a car and truck collided Monday morning on the Hanover Water Works Road, but no one was injured. State police, commenting on the fact that the car of Raymond Forbes, 31, Hanover, was demolished, said that "it seems impossible that he was able to escape unhurt."

According to the police, Forbes was driving east and Robert McKain, 38, Hanover R. 2, caretaker at the water works, was operating a truck west. Forbes' car, police said, crossed the center of the highway and crashed into the truck. Damage was estimated at \$1,500 to the truck and \$300 to the car.

Services Thursday For Dr. Sanders

Funeral services for Dr. Charles F. Sanders, 90, for 35 years a member of the Gettysburg College faculty and who died Saturday in St. Petersburg, Fla., will be held at the Bender Funeral Home Thursday afternoon at 2 o'clock. Officiating will be the Rev. Herman G. Stuepfle Jr., pastor of Christ Lutheran Church. Interment will be made in the Evergreen Cemetery.

Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock.

Dr. Sanders, who was an educator, author and Lutheran clergyman, served several pastorates before joining the Gettysburg College faculty in 1906. In 1941 he became philosophy professor emeritus and moved to Lewistown where he supplied a Lutheran church while its pastor was in the armed forces. He had been living in Florida for a number of years.

dent; Walter B. Dillon, secretary; Calvin Shank, treasurer, and Ray Seltzer, sergeant at arms. Other directors are Rev. Robert A. MacAskill, Dean Seymour Dunn, Paul Zeger and the retiring President, David Bloch.

Attorney MacPhail and the other new officers will assume their duties July 1.

Bruce Talks

Richard E. Bruce, manager of the Inductive Equipment Corporation here, spoke of the duties of the industrial engineer. After graduating as an accountant, Bruce said he entered the Essex Wire system under a program by which a group of men worked in every phase of the nationwide organization while undergoing training as industrial engineers. Sent first to Mendon, Mich., to set up a plant for Essex Wire there, he later was transferred to management of the local Essex Wire affiliate, the Gettysburg Inductive Equipment plant, in 1951.

"In the larger plant there are many engineers, electrical, industrial, design, materials, mechanical and safety, each with his own specialty."

"Yet each type of engineer, if he is to know how to do his own job properly, must know something about each of the other specialties. In the small plant the industrial engineer has to take on the skills of all specialties, for he must handle materials, plant layout, even hydraulics and electrical engineering. Sometimes he must also be his own tool designer, and even cost accountant."

Stanley Prosser was introduced as the new high school student attending the weekly meetings of the Rotary Club.

Four Properties Are Transferred

The following deeds were filed in the office of the register and recorder this morning:

Alfred and Lula M. Hayes, Frederick County, Md., sold to Robert E. and Helen M. Jacoby, York County, a property in Union Twp. for \$650.

Ralph C. and Jean L. Unger, Littlestown R. 1, sold to John A. and Evelyn M. Redding, McSherrytown, a property in Union Twp. for \$9,000.

Dietrich and Sophie Wiechmann, Biglerville R. 2, sold to Donald E. and Sarah J. Stine, Biglerville R. 2, 71 acres in Butler Twp. for \$8,500.

Herbert W. and Ruth E. Miller, Biglerville R. 1, sold to George E. and Ethel I. McLaughlin, R. 3, a property in Arendtsville for \$3,500.

Will Observe Apple Blossom Sunday May 3

Apple Blossom Sunday in Adams County will be observed on May 3. The early May date set by the fruitgrowers association coincides with the expected peak of blossoming of the county's vast apple orchards.

Committees of fruits growers and their wives who are serving as blossom hosts are completing arrangements for welcoming thousands of visitors to the annual springtime blossom spectacle.

The South Mountain Fairgrounds, one mile west of Arendtsville on Route 234, will again be headquarters for blossom festivities where a chicken barbecue dinner will be served at nominal cost from 11 a.m. to 6 p.m. An optional feature of the dinner will be a smorgasbord of homemade Adams County apple desserts prepared "in the kitchens of the finest cooks in the county."

Will Crown Queen

At 2:30 p.m. Miss Joan M. Staub, recently chosen Apple Blossom Queen, will be the center of attraction at a coronation ceremony. She will be crowned by last year's queen, Miss Marian M. Griest, who recently won state honors by being selected as Pennsylvania's Apple Blossom Queen. The queen's court will be comprised of all the contestants in the recent contest.

For the convenience and enjoyment of visitors hospitality booths and information centers will be located in strategic spots along the blossom trails where apple juice will be served free to tourists. Directional blossom trail signs are being erected to guide tourists over many miles of paved roads that wind through the fruit belt.

Produces Other Fruit

King of the springtime show is the apple blossom, but Adams County is also a leading peach and cherry producing area so that many apple orchards are framed with the contrasting blossoms of other fruits. Redbud and white dogwood abound in the surrounding woodlands to add additional color to the spectacle.

Adams County is listed among the 100 leading counties in the United States for specialized crops. It ranks 11th in apple production, 18th in peach production and 19th in cherries. It is said to produce more fruit than any other county in the United States.

Two Soft Drink Machines Looted

The burglar or burglars who robbed soft drink machines at two service stations on Buford Avenue Monday evening apparently had a key to the coin boxes, the station managers told police this morning. Ray Culp, manager of the Cities Service Station, and Dale Arnold, manager of the Shell Station, each reported less than a dollar stolen. They said there was no damage done to either machine. The coin boxes had been neatly removed as if a key were used.

Police are investigating.

SPEAKS IN MID-WEST

Dr. Frederick Tilberg, historian for the Gettysburg National Park, left by plane from Washington Monday afternoon for Minneapolis, where he will speak this evening before the Minneapolis Civil War Round Table on "Factors At Antietam." Wednesday evening he will speak before the Milwaukee Civil War Round Table on "Command Decisions On July 2 And 3 At Gettysburg."

Space Flight Predictions Popping Out All Over D.C.

WASHINGTON (AP)—Space flight forecasts are popping out all over Washington—everything from sending mice into orbit within a month to sending a man to the moon and back within eight years.

The mice-in-space forecast came Monday from Roy W. Johnson, director of the Advanced Research Projects Agency in a speech to a Republican women's group.

Johnson said the Discoverer II satellite, launched April 13 and nearing the end of its orbit, has had a "truly fantastic success." He added, "We now plan to launch Discoverer III with a biomedical space traveler."

Mice Slated

Johnson didn't specify mice as the space travelers, but informed sources said one or more were slated for the orbital trip. Johnson said this Discoverer III shot would come within a month, but other sources weren't quite so explicit. The mice would be American.

Boy, 5, Of Deaf Mutes, Strangled

DETROIT (AP)—Police said a man who escaped from a mental hospital admitted today he strangled Marvin Zdanowski, 5, whose body was found in a garage Monday night.

Lieut. Hiram Phipps of the Detroit homicide squad said the confession was obtained from George Ritola, 47, who resided intermittently with a sister residing in the same house with the boy's mute parents.

The officer said Ritola gave this account of the slaying: He found the boy in a bathroom which was shared by the Zdanowski family with other persons living in the house. He grabbed the boy, put his hand over his mouth and decided to kill him.

He dragged the boy to the garage and choked him for five or 10 minutes. Then he put the limp body on a rafter. He planned to return later and find a better hiding place for the body.

BULLETINS

WASHINGTON (AP)—Christian A. Herter appears before the Senate Foreign Relations Committee today with advance assurance of its overwhelming approval of his nomination as secretary of state.

So strong was his backing as the successor to cancer-stricken John Foster Dulles that Sen. Mike Mansfield (D-Mont.) suggested waiving the committee's rules to permit a vote today, and Senate confirmation Thursday.

PANAMA (AP)—The Panamanian government held British ballerina Margot Fonteyn under arrest today in connection with charges that her husband was plotting to overthrow President Ernesto de la Guardia Jr.

The 39-year-old ballet dancer, one of the world's greatest, was reported being held in the private office of the commandant of Panama City's main jail.

COVINGTON, Ky (AP)—A young mother charged with murdering her two daughters begged doctors Monday to let her die. Her own effort to put a bullet through her heart had failed.

Recovering from the suicide attempt at a Cincinnati hospital, Esther Detisch, 23, of Covington kept pleading with physicians: "Why don't you let me die with my children."

MUSKOGEE, Ind. (AP)—The Dalai Lama, Tibet's living buddha, arrived at this Himalayan resort today to live in exile on the same estate where India's late Mohandas Gandhi used to stay. (Continued On Page 2)

Baptist Women To Install Officers

New officers of Grace Baptist Church and the First Baptist Church Women's Missionary Group will be installed this evening at 7:30 o'clock in the First Baptist Church, S. Stratton St. The Rev. H. N. Brownlee will be in charge of the joint installation service.

Mrs. Wayne R. VanDyke, president, will preside at the business session. Mrs. Archie Strickland will be devotional leader. Hostesses are Mrs. William Brent, Mrs. Addie Short and Mrs. Melvin Nye.

STOCKS UNEVEN

NEW YORK (AP)—The stock market churned unevenly early today after setting record highs on the past three sessions.

Most key stocks showed fractional gains or losses. A few blue chips, mainly among chemicals, added a point or so. Some wider moves appeared among more speculative issues.

SUN EDITOR TO SPEAK HERE

Frank F. Beirne, associate editor of the Baltimore Sun, will speak on "The Trial of Aaron Burr" Friday evening at 8 o'clock in Room 213, Glatfelter Hall, Gettysburg College. The public is invited.

Beirne will publish a book on Burr's trial in the near future. He wrote several histories, including "The Amiable Baltimoreans," "The War of 1812" and a centennial history of Hutzler's department store.

A graduate of the University, he studied as a Rhodes Scholar at Oxford. He is the father of Capt. D. Randall Beirne, professor of military science and tactics at Gettysburg College.

Beirne's lecture is sponsored by Phi Alpha Theta, honorary history fraternity.

Johnson claimed two important firsts for Discoverer II. It was the first time a satellite had been positioned in flight (by means of jets of compressed air) so that it faced a certain way, he said, and it was the first time a capsule was ejected from a satellite and sent back to earth.

The capsule is said to have come down near Spitzbergen, north of Norway. A search is under way for it.

Of Discoverer III, Johnson said "biomedical data we will acquire will be very useful to the man-in-space." (Continued On Page 2)

RIDER KILLED WHEN SKIDDING CYCLE UPSETS

A Carroll County motorcyclist was killed instantly when his cycle skidded as he attempted a left turn at the intersection of Route 194 and the Crouse Mill Road at Taneytown Monday at about 5:45 p.m.

Clifford Leroy Stansbury, 20, Keymer R. 1, died of a fractured skull, Dr. James T. Marsh, Carroll County medical examiner, said. He also suffered a fractured left arm and leg.

Maryland State Trooper George C. Wachter Jr., said that apparently Stansbury lost control of his 1958 Harley-Davidson motorcycle. The cycle skidded and overturned throwing Stansbury against a bridge abutment, Wachter said.

Funeral Arranged

A son of William J. and Elizabeth Wilson Stansbury, the dead cyclist was a member of the Taneytown American Legion Drum and Bugle Corps.

Surviving are his parents; two brothers, Howard Stansbury, Frederick, and Grover Stansbury, at home; two sisters, Mrs. Theodore Wolf, Emmitsburg, and Mrs. Junior Miller, Silver Run; two half-brothers, Charles Stansbury, Uniontown, Md., and William Stansbury Jr., Westminster, and two half-sisters, Mrs. Charles Sullivan, Wilmington, Del., and Mrs. Paul Shorb, Taneytown.

Funeral services Thursday at 2 p.m. in the Fuss Funeral Home, Taneytown, with the Rev. Cameron Johnson officiating. Burial in the Keysville Cemetery. Friends may call at the funeral home Wednesday from 7 to 9 p.m.

GIVE REPORT ON CHARITIES

At the 20th annual meeting of the board of directors of the Catholic Charities of the Diocese of Harrisburg, Inc., held recently at the diocesan offices, Harrisburg, it was reported that 711 persons availed themselves of the agency's services.

The report of the year's activities, presented by the Rev. William P. Bridg, director of Catholic Charities, revealed that \$117,394.54 was disbursed in the 15 counties of the diocese. This includes the maintenance of 666 children in various child care programs conducted by the non-profit agency. Sylvan Heights Home in Harrisburg cared for 63 girls while 92 boys were helped at Paradise School in York County. In addition, 186 children were discharged from the care of Catholic Charities; 177 of these to parents and relatives, and 150 foster homes were utilized for 149 children.

General and particular assistance in the form of food, clothing, furniture and utilities were given to 1,091 families. 3,116 transients received 4,815 meals. Lodging, clothing and transportation were also provided.

In conducting the year's work, the Missionary Servants of the Most Blessed Trinity, from their headquarters at 900 N. 17 St., Harrisburg, made 8,053 visits and 15,238 interviews.

CLUB TO MEET

The Gettysburg Exchange Club will meet this evening in the Plaza restaurant at 6:30 o'clock. President Phil Neth said today.

DR. PUTMAN TO SPEAK SUNDAY

The Rev. Dr. Dwight F. Putman, Harrisburg, president of the Central Pennsylvania Synod of the United Lutheran Church in America, will be the speaker Sunday morning at 10:30 o'clock at a service dedicating St. John's Lutheran Church, Abbotstown.

The service marks the completion of a program of renovation and rededication carried out over the last four months. In the project, the chancel was completely rebuilt, a second choir loft has been added, new stairways have been built from the chancel to the first floor. The entire church was redecorated, the pews and floors refinished and new carpet laid. Two sets of parame-

nts were secured for the new chancel furniture and new choir robes bought for the choir. Repairs were made to the roof and ventilators and the vestibule doors were refaced.

The project is in preparation for the 200th anniversary of the church to be held next year. The Rev. Lester J. Karschner is the pastor.

Other activities scheduled for the church include a rural life service May 3 at 10:30 a.m. at which, if weather permits, the actual blessing of the seed and soil will be held outdoors. On May 23 the congregation is planning a bus trip to Valley Forge and Longwood Gardens.

FACE CODE CHARGES

Justice of the Peace Robert P. Snyder issued two ten-day notices this morning to Calvin R. Moritz, Gettysburg R. 2, failing to signal, and Theodore McKenrick, Gettysburg, reckless driving. Both charges were filed by borough police.

Begin Repainting Traffic Lines

Painting of traffic lines on Adams County highways was begun today by the Department of Highways. Clyde O. Garber, highway superintendent for the county, said that U. S. routes and other main highways are included in the painting program.

Garber said that the department recognizes the importance of the Adams area to tourists and thus has started the first painting program in the state here this season. He also noted that good weather has made possible an earlier start than usual.

Painting was begun this morning on the Lincoln Highway, U. S. Route 30. U. S. Route 15 work will follow. Some other routes will be painted along with the main route work as painters reach their junctions with the principal highways.

COLLEGE WILL FETE MOTHERS OF STUDENTS

Plans for Gettysburg College's 34th annual Mother's weekend May 1, 2 and 3 have been announced by the co-chairmen, Miss Kae Meyer, of Hathor, and William Fassbender, of Williams-town, N. J.

Friday night's program will feature a concert by the college choir and art exhibit in Christ Chapel. A water show will also be staged by the Physical Education Majors Club in the college pool.

Mothers are invited to visit classes with their sons and daughters beginning at 8 a.m. Saturday. A social get-together in the lounge of the SCA building will precede a meeting of the Parents' Association in Christ Chapel at 11 o'clock. Roswell Lyon, Jr., of Harrisburg, and Henry F. Burg, of Red Lion, are co-chairmen of the association.

Will Crown Queen

Events for Saturday afternoon include the traditional May Day ceremony and crowning of the May Queen in the Eddie Plank gymnasium; a triangular track meet between Lehigh, Muhlenberg and Gettysburg; a lacrosse game with Franklin & Marshall and two repeat performances of the water show.

Climaxing Saturday's program will be an informal get-together in the evening in Christ Chapel with musical entertainment and announcement of the selection of a mother for the annual "Mother of the Year" award. President W. S. Paul will give a brief address. Dr. Frederick Shaffer will be master of ceremonies.

A special Mother's Day worship service will be held Sunday morning in Christ Chapel. Guest preacher will be Dr. Rudolph Schulz, pastor of Ebenezer Lutheran Church, Marion, Va., father of two Gettysburg students, Philip and Anne Schulz. Liturgist for the service will be Dr. Paul L. Reaser, pastor of St. James Lutheran Church, Gettysburg, father of Clayton and Joel Reaser, both students at the college.

DR. PUTMAN TO SPEAK SUNDAY

The Rev. Dr. Dwight F. Putman, Harrisburg, president of the Central Pennsylvania Synod of the United Lutheran Church in America, will be the speaker Sunday morning at 10:30 o'clock at a service dedicating St. John's Lutheran Church, Abbotstown.

The service marks the completion of a program of renovation and rededication carried out over the last four months. CARLISLE ST. TO BE CLOSED ON WEDNESDAY

While Carlisle St. is closed to traffic Wednesday so that Western Maryland track crews can lay new rails and ties on the grade crossing, traffic will be detoured over N. Stratton and N. Washington Sts., Chief of Police Jack Bartlett said today.

To facilitate the flow of traffic, parking will be banned for the day on the west side of N. Stratton St. from the railroad to E. Lincoln Ave., the chief announced. One-way parking already is in force on N. Washington St., he pointed out.

From about 7 a.m. until 5 p.m., the Carlisle St. crossing will be closed to traffic while the repair work is underway, he said.

To Re-route Traffic

Northbound traffic will be directed from Lincoln Square via York St. to N. Stratton St. and then north to E. Lincoln Ave.

Southbound traffic will be diverted at the Carlisle St. and Lincoln Ave. intersection will be sent west on W. Lincoln to N. Washington St. and then south to Chambersburg St. State Highway department barricades will be erected to close Carlisle St. and direct traffic.

DELONE TOPS HANOVER 1-0

Ronnie Asper of Gettysburg pitched and batted the Delone Catholic High School baseball team to a 1-0 victory over Hanover Monday afternoon on the Nighthawks' field.

Asper, who scattered four singles and struck out eight, doubled in the top of the seventh inning and raced home with the only score of the game his mound opponent, Fuhrman, threw wildly to first base on a grounder.

The victory was the third in four starts for the Squires. Today they were scheduled to meet Littlestown at McSherrystown.

Police Called To Henderson

HENDERSON, N. C. (AP)—

Nearly 100 State Highway patrol-

men, pushing through lines of

jeering strikers, escorted workers

in and out of the Harriet-Hender-

son Cotton Mills today following

a new wave of violence.

About 300 workers, advised to

bed down inside the plant over-

night when angry crowds gathered

outside, departed under police

protection.

"Come on out you scabs," shout-

ed one woman striker. "We'll get

you," another screamed.

Three autos bearing first-shift

workers were stoned as they ap-

proached the North Henderson

plant gates. One driver jumped

out of his car and hurled himself

at a nearby striker. Police quick-

ly stopped the fight.

A dynamite explosion ripped up

a section of earth inside the North

Henderson plant gates during the

night. There was little damage to

the buildings. Occasional rifle

shots shattered windows and splat-

tered against plant walls late at

night.

Letter To The Editor

April 20, 1959

Editor:

Dear Sir:

My husband "John B. Bowring,"

hold up man of the East Berlin

Bank in April 1953, has been a

mental patient at the Lewisburg

Federal Penitentiary for several

months. The psychiatric doctors

there, say he could not possibly

be responsible for his crime and

have sent him to a Government

Hospital in Springfield, Missouri,

for treatment. He was sent this

month the 15th day. I am a

machine operator in a large silk

mill here where I operate 3 large

machines six days per week;

which enables me to maintain a

good home for the children and

I while our Daddy is away. We

hope some day he will be well

and return home to us. Kindly put

this information in your paper so

those who have condemned him and

his family will know and understand.

I would also like a copy, if you

please. Thanking you.

Sincerely,

Mrs. Naomi H. Bowring

MOCK AIR RAID IS STAGED AS CD ALERT ENDS

A "mock air raid" in the eastern part of the county Saturday afternoon concluded Adams County's participation in "Operation Alert-1959," the nationwide testing of the Civil Defense organization.

Eleven eastern Adams County fire companies and other units that would normally be called in to action in event of an emergency took part in the 75-minute long operation.

During the "raid" test three youths were "rescued" from the third floor of the McSherrystown Home Association.

Two of the youths, Alan Staub and Michael Neiderer, were removed from the "bombed" building by using a basket stretcher attached to a rope while the third youth, Jerry Loss, was moved down the aerial ladder of the Eagles Fire Company, Hanover, in a basket stretcher.

Handle "Casualties"

The youths were then moved in rescue trucks and ambulances to the Conewago Fire Company, Edgegrove, where a total of 18 "casualties" were given first aid in an emergency hospital maintained by members of the fire company's ladies' auxiliary.

Members of Boy Scout Troop 107, Church of the Annunciation of the Blessed Virgin Mary, McSherrystown, and the Annunciation School served as "casualties," which included "three bicyclists."

Cyril F. Weaver, McSherrystown Civil Defense director, who was in charge of the alert, said about 250 persons participated in the activities, which included two fires set off in fields at the rear of Ridge Ave. and Fourth St. and in the first block along Main St., McSherrystown.

Others Cooperate

In addition to the "emergency hospital" at the Conewago Fire Company, centers were set up where "victims" were registered for emergency shelter, clothing food and other essentials.

McSherrystown Fire Chief Eugene A. Murren said other fire companies participating in the alert, and who sent apparatus to the area, included: Irishtown, Brunshtown, Littlestown, Kingsdale, Bonneauville, New Oxford, Pennville, Midway and Hanover.

Members of the Happy Ramblers' Motorcycle Club served as messengers while traffic control was in charge of members of fire police squads of the participating companies.

Worley Pressing

For 'Pike Probe

Assemblyman Francis Worley called on Democrats in the rules committee to report out his resolution calling for an investigation of the state Turnpike Commission and its staff.

"What is the administration trying to cover up?" Worley asked Monday night when he was given the House floor by unanimous consent.

The resolution was introduced by Worley after he said he witnessed an attack by a uniformed pike employee on a Philadelphia newspaper employee at the Valley Forge interchange. The legislator told the House members Pennsylvania often is judged by tourists on the basis of their contacts with the state uniformed representatives on the turnpike.

WINS STUDENT HONOR

Miss Barbara E. Herr, a Ninth grade student in the Rochester, N. Y., schools and granddaughter of the late Register and Recorder Winfield G. Horner, of Cumberland Twp., won the honor of representing her class at the dedication of a new high school building at Rochester.

According to word, received by her uncle, John Horner, Gettysburg R. D., Miss Herr, daughter of Mr. and Mrs. A. B. Herr, wrote the prize winning essay in a contest held on the theme "Eastridge High School's Contribution To Education." As a result she represented the student body and spoke at the dedication of the new high school.

HOUSE GROUP OKAYS MORE TAX LEVIES

HARRISBURG (AP)—The House Ways and Means Committee today approved for floor action 178 million dollars in additional taxes proposed by Gov. Lawrence.

It was a move by the House Democratic leadership challenging the Republican minority to stand up and be counted in the next few weeks on where it stands on the remainder of the governor's 400-million-dollar tax program.

The tax bills sent to the floor will now appear with a previously committee - approved measure to raise 59 million dollars by extending the new 3 1/2 per cent sales tax to beer and liquor.

New Tax Measures

The governor signed into law last week a 3 1/2 per cent sales tax, yielding an added 163 million dollars. The old tax was 3 per cent. Committee approval was given to these bills (with estimated biennial yields in parentheses):

Imposing the sales tax on trades including automobiles (42 millions).

Revising the cent-a-bottle soft drinks tax (37 millions).

Levying a 25 per cent tax on tobacco products other than cigarettes (15 millions).

Subjecting gas companies to the 14-mill gross receipts tax (17 millions).

Imposing a monthly tax of 1-1/2 of 1 per cent per 1,000 cubic feet on the underground storage of natural gas (7 millions).

Increasing the bank shares tax by four mills (12 millions).

Rep. Stephen McCann, Democratic floor leader, said there was no plan to act on the remainder of the tax package immediately.

Space Flight

space program, Project Mercury." Seven men already have been selected to train to be sent into orbit and come back safely.

Moon Predictions

The man-to-the-moon prediction came from an official of another agency, Abraham Hyatt, told the House Space Committee Monday the United States will have this capability in six to eight years.

He said a new rocket engine—capable of 1 1/2 million pounds of thrust—is being developed. This tremendous engine could send a 150,000-pound satellite into orbit at an altitude of 300 miles, a 43,000-pound payload in orbit around the moon, or a 4,300-pound payload to a landing on Mars, he said.

Attacks Insurance

Hyatt said this new engine would be the basic power to Project Nova, which is to enable a man to "travel to the moon, make a soft landing and return safely to earth." Such a trip would involve a 20,000-pound payload.

Johnson also outlined other coming satellites ventures. These included Project Midas, in early warning missile detection system using satellites. "Through this project we will develop greater insurance against surprise attack in ways impossible under our present early arrangement." No estimated date given.

"LOVE IS HAPPINESS"

There are many definitions . . . for the thing called happiness . . . and from the first unto the last . . . we seek its warm caress . . . some say it comes with money . . . while others think it's free . . . but these are only partly true . . . or so it seems to me . . . for happiness is locked from life . . . without the key of love . . . and those with love inside their hearts . . . possess a golden glove . . . love paves the way to untold joy . . . and helps mankind endure . . . when people love it matters not . . . if they be rich or poor . . . still love is far from being free . . . for we must prove our worth . . . before we gain the blessings of . . . this greatest prize on earth . . . so I say, love is happiness . . . the essence of this life . . . for those who love are equal to . . . the sharpest pains of strife.

Catholic Nurses Attend Meeting

Eleven members of the Queen of the Holy Rosary Guild of Catholic Nurses attended the seventh annual spring meeting of the Harrisburg Diocesan Council of Catholic Nurses, held on Sunday at Bishop McDevitt High School in Harrisburg on Sunday, including Miss Jean Anthony, Littlestown, president of the Adams-Hanover group; Mrs. Richard Smith, vice president; Mrs. Mary Luckenbaugh, secretary; Mrs. Mary Smith, Mrs. Louise Keffer, Mrs. Julia Walters, Mrs. Veronica Noel, Mrs. Francis Reed, Miss Mary Wagner, Mrs. Anita Myers, immediate past president, and Sister Philip Marie, of St. Joseph's Academy, McSherrystown. Representatives from all of the dioceses in Pennsylvania were among the 450 Catholic nurses in attendance at the meeting. There are six guilds in the Harrisburg Diocese.

The spring meeting program included registration; opening session at Tracy Hall; general session and workshop panels; refreshments and social hour; afternoon general session and free period before 5 p.m. mass, which was celebrated by the Most Rev. George L. Leach, bishop of Harrisburg; banquet at 6 p.m., when Miss Anne Culkun was the principal speaker. Miss Culkun will be remembered as the luncheon speaker at the Harrisburg Diocesan Council of Catholic Women Convention held in Gettysburg in 1957.

Butler Family Is Home After Search

BUTLER, Pa. (AP)—"I don't see why anyone got excited," says one of four members of a western Pennsylvania family which had been the subject of a 13-state police search.

"We went to Iowa to look for farm equipment parts," explained John Perkins, 79, of nearby Fenelon, Monday night after he was told he had been listed as missing since Friday. The family arrived home early Monday evening.

With Perkins was his son, Chester, 34; Chester's wife, Elizabeth, 48; and their son, Harry, 26. The four left the home of Mrs. Anna Mae Armitage of Beloit, Ohio, Thursday. Mrs. Armitage is a daughter of Chester Perkins. They were believed on their way home but when they did not appear Friday, relatives asked state police help in locating them. The FBI also was alerted.

Couple Celebrates 50th Anniversary With Dinner

Mr. and Mrs. Hanson E. Heckenluber of Arendtsville celebrated the 50th anniversary of their wedding at a banquet in their honor Monday evening in the dining room of the United Church of Christ, Arendtsville. About 80 relatives and friends joined in the celebration.

Rev. Nevin R. Frantz, pastor of the United Church of Christ, where the couple are members, disclosed that a trust fund of \$500 has been established for the church by Mr. and Mrs. Heckenluber in observance of this golden wedding anniversary. The interest from this fund is to be used to help cover the cost of the upkeep of church property.

During the affair the couple received a three-tier wedding cake and a money tree. The presentation was made for the relatives by Mrs. Robert W. Shafer and Mrs. Donald E. Myers.

Special Music
Following the meal, there was an introduction of families. Mrs. Blaine Bushey introduced the bride relatives of Mrs. Heckenluber while Arnold E. Orner did the same for those of Mr. Heckenluber.

Marvin Kime sang two songs, "Always" and "Bless This House." He was accompanied by Miss Sheila Kime. A vocal trio composed of Mrs. Nelson Grim, Mrs. Robert Heckenluber and Mrs. Lee Reinecker sang "Juanita." They were accompanied by Mrs. Marshall Longenecker. Mrs. Donald E. Myers sang "It's A Grand Old Name" accompanied by Mrs. Robert Heckenluber.

The invocation was given by Rev. Ivan Naugle, cousin of Mr. Heckenluber. The meal was served by the Ever Ready Sunday School Class.

The Rev. Mr. Frantz acted as master of ceremonies and narrated a history of Mr. and Mrs. Heckenluber. He was aided by these grand and great-grand-nieces and nephews: Vicki Kime, Beverly Kime, Nancy Reinecker, Susan Reinecker, Steve Heckenluber, Timothy Heckenluber and

Playwright Clyde Fitch, had five plays on Broadway at the same time in 1901. They were "Sappho," "Lover's Lane," "The Climbers," "Barbara Fritchie," and "Captain Jinks of the Horse Marines."

Girl Scout News

Leaders and members of the Round-Up patrol of Senior Girl Scouts who plan to attend the International Girl Scout Round-up at Colorado Springs, Colorado in July participated in training activities at Camp Happy Valley on Saturday and Sunday. The girls set up a primitive campsite in which they made use of the equipment they will take with them to Colorado.

Janet Schwartz was elected assistant patrol leader and Mary Ann Henninger was chosen song leader. Songs were rehearsed and a demonstration of the preparation of apple fritters was given. This demonstration is one of those to be presented at the National Round-Up. A skit was also planned.

Plans were made for the camp-out which will be held at Camp

Echo Trail, near Red Lion, May 15-17. This session will be attended by approximately one hundred girls representing six councils in this region. The local patrol will have charge of the building of the campfire and the opening of the Saturday evening program. They will also present a short skit which was developed at a recent training session.

Members of the patrol who attended the Campout were: Janet Schwartz, Joann Alston, Ella Louise Moyer, Pat Oyler, Mary Ann Henninger, Bonnie Storm, Brenda Hollinger, Jane Crone, and Sally Fox. Mrs. Carroll Arter and Miss Grace Myers were the leaders present.

BUS CRASH FATAL

ALBUQUERQUE, N.M. (AP)—A cross-country bus slid out of control on a rain-slick stretch of U.S. 66 Monday, killing one person and injuring 17, including the driver.

The accident was about 25 miles west of here. Alexander Graham Bell, inventor of the telephone in 1876, lived to be 75 years old.

GROW — BUT NOT OLD!
Here is a truth of fact — we
are daily growing older with a
multitude of other people, many
our own age, but a thousand
things can make it a pleasant
voyage, whether we give much
thought to it or not. Every
minute we are that much older
— and wiser.Grow, but grow more mature,
more experienced, and more ap-
preciative of all the endless bless-
ings that are ours. Blessings keep
us alive and ambitious. If we had
no objectives in life we would
be poor indeed. It's the new, and
all it represents, that stimu-
lates our pathway from day to
day. We grow old, but no faster
than we choose! Let us let Nature
have an inning. Hers are perma-
nent experiences.Growing older in body is not
nothing to worry about. It's the mind
and heart that take on age —
if you let them! I looked upon a
tiny child today — not more
than three years of age. And I
suddenly became three and be-
gan to think of this changed world
since I was three — or a little
older. I know one thing — I was
happy. But I didn't know why.
Neither does any child at an early
age know why he or she is happy
or unhappy. The years unfold and
partly explain.Cheerfulness is the best medi-
cine I know anything about. It is
a remedy that never fails to light
up the mind and warm the heart.
Our attitude of mind is the con-
trolling one that gives out all the
orders of the day. It's the "Chair-
man of the Board!" That makes
it all important.Grow — but not old! Grow
youthful and laugh at mere age,
that you can hardly keep track
of. It isn't the number of years
that are added to us each year,
but the quality of those years,
and their application.Tomorrow Mr. Adams will talk
on the subject: "To Be an
American"Protected, 1959, by The George

WORLD ON WHEELS

By FLOYD CLYMER

**AMERICANS CAN'T DECIDE
ON CARS THEY WANT** — While
thousands of Americans have an
idea of the type of car they ex-
pect to buy in 1959, a high per-
centage are in doubt.Batten, Barton, Durstine &
Osborn, one of the largest of U. S.
advertising agencies, has recently
completed a five-year study of
the problem, which shows that
four-fifths of all automobiles are
bought by people who, at the be-
ginning of the year, had no inten-
tion of buying a car, or were un-
certain about buying; and that
one-third of those who intended
to buy a specific make actually
would up buying a different
make.**THE BBD&O SURVEY** showed
that 77 per cent of those ques-
tioned said they did not intend to
buy during the year. But 11 per
cent of these changed their minds
and did buy. And their purchases
accounted for an amazing 48 per
cent of all automobile sales.**Automobile Sales**
Another 17 per cent of the
people questioned were uncertain
whether or not they would buy a
car during the year — but 32
per cent did buy. And they added
up to 31 per cent of automobile
sales.Curiously enough, only 6 per
cent of the people queried said
they intended to buy a car. Of
these, 63 per cent actually did
buy. But their purchases account-
ed for only 21 per cent of the
market.**BBD&O'S SURVEY** also includ-
ed electrical appliances, and the
results were much the same, ex-
cept that three-fourths were
bought by people who were nega-
tive or uncertain about buying;
and one-half to three-fifths bought
a different make than they origi-
nally intended.This would indicate that there
are some fields wide open to ad-
vertising persuasion, where im-
pulse buying might be expected to
be negligible.**CONSTANTLY INCREASING
INSURANCE RATES WORRY
CAR OWNERS** — Car owners
are getting more and more con-
cerned at the ever-increasing cost
of insurance premiums on the
cars they own. While it isn't
exactly the fault of the insurance
companies, the alarming pay-
ment of 147 million dollars more
in claims than was collected in
premiums in 1957 is indeed cause
for worry, inasmuch as losses are
even higher in 1958.Why have insurance rates more
than doubled in the past ten years?
According to recent surveys con-
ducted by leading insurance com-
panies, accidents are constantly
increasing, with more than 11
million reported in 1958. Heavier
cars, with higher speeds, are
causing more serious accidents.**Average Damages**
The average damages awarded
by a jury in automobile accident
cases for 1941 was \$3,490. Today
the average award of \$12,951 in-
dicates that even those who sit
in judgment on damage awards
have caught the inflation habit.In California the situation is
acute, and it is fast becoming a
national problem. With an aver-
age two-car family income of
\$7,500, normal insurance and car
operation can easily account for
10 per cent of the family income,
and this percentage does not in-
clude car payments.Law enforcement agencies,
working with insurance companies
to cut down the accident rate,
feel that several things should
be done:1. Bar the accident-prone drivers
from the highways and streets.
2. Set up State Auto Commis-
sions, similar to the Industrial
Accident Commissions, to affix
accident compensation.While many drivers are not
deliberate law breakers, they
are just bad drivers. There isTRUMAN HOME
AT LAMAR, MO.,
IS A SHRINELAMAR, Mo. (AP) — "It's like
being buried and dug up while
you're still alive."That was former President Harry
S. Truman's comment Sunday
when the little house in which he
was born was dedicated as a pub-
lic shrine."I'm glad they dug me up,"
Truman added with a grin.He told a cheering crowd of 2,000
that usually "they don't do this to
former presidents until they have
been dead 15 years."Truman, who will be 75 May 8,
said he was overwhelmed by the
tribute.The six-room, white frame cot-
tage was bought by the United
Auto Workers Union for \$6,000 and
given to the state of Missouri. The
deed was handed to Gov. James
T. Blair by Leonard Woodcock,
UAW international vice president.The State Park Board has re-
stored the house, furnished it in
period style and opened it to the
public.Truman was only 11 months old
when his parents moved from La-
mar to a farm in Jackson County,
near Kansas City. But that makes
no difference to the residents of
Lamar, a town of 4,000 population
122 miles south of Kansas City.Sen. Stuart Symington (D-Mo)
agreed with them in his dedica-
tion speech."Starting today," Symington
said, "people will come to Lamar
to study the beginnings of this
man's life. All can learn that
greatness can be bred in humble
surroundings. All can learn of the
American ideal of progress by
ability."Even if Truman never had been
president he would be worthy of
note, Symington said."Because his life and character
have been a mirror of America."

DISQUALIFY
CANDIDATEPHILADELPHIA (AP)—A can-
didate for the Republican nomi-
nation for school director in a Cum-
berland County community asked
Pennsylvania's Supreme Court to-
day to disqualify his only oppo-
nent in the May 19 Primary elec-
tion.The request was made by Carl
A. Carbone, a GOP candidate in
Lower Allen Township. Presently,
Carbone is opposed by Virginia
Bowman.Atty. Irwin Albert of Carlisle,
representing Carbone said his client
last March 21, protested that
nominating petitions for Mrs.
Bowman and another candidate,
Luther J. Bittling, contained seven
identical signatures and thus both
were invalid.**Under Adversement**
Bittling withdrew his candidacy
and the Cumberland County court
then held that Mrs. Bowman's pe-
titions were valid.Albert argued that to permit
Mrs. Bowman to remain in the
contest, "would lead to the loose,
uncertain and inconclusive elec-
tion practices that the legislature
and the courts deplore."Atty. James Bowman, of Har-
risburg, said that the withdrawal
of Bittling eliminated any question
on the similarity of names on his
nominating petitions and those of
Mrs. Bowman."The nomination petitions filed
by him to establish his candidacy
must be considered as never hav-
ing been filed," Bowman said.The court took the case under
adversement.MAIN ISSUES FOR
1960 ARE CITEDWASHINGTON (AP)—The new
Republican national chairman pre-
dicts budget balancing will not be
a major issue in the 1960 presi-
dential election.But the chairman, Sen. Thurston
B. Morton (R-Ky), added that
inflation, "if we let it get out of
hand," would be an issue.Morton said on a television pro-
gram Sunday he does not expect
the budget for fiscal 1960 to be
balanced. But he said unemploy-
ment, the farm program and
foreign policy will emerge as the
main issues in 1960.Morton, predicting the Republi-
cans would win the presidency,
said Vice President Richard M.
Nixon and Gov. Nelson Rockefeller
of New York would battle for
the GOP nomination. The chair-
man also said Adlai Stevenson
would win the Democratic nomi-
nation for a third time if the Dem-
ocrats become deadlocked at their
convention.Quebec Has Edge
For Summit TalksLONDON (AP)—San Francisco
and Quebec appeared today to be
gaining favor among the Western
powers as site for the projected
summit conference—with the odds
slightly on Quebec.Britain's expressed preference
is for Vienna, informants said.The United States has indicated
tentatively that San Francisco
would be available. The Canadian
government has gone further. It
has formally approached the gov-
ernments of the United States,
Britain, France and the Soviet Union
with a proposal that the top-
level talks be held in Quebec.It is generally assumed Soviet
Premier Nikita Khrushchev would
jump at a chance to visit the
United States.SEALTEST CASE

Foods of Philadelphia asking dis-
missal of injunction proceedings
started by the State Milk Control
Commission.The commission has asked the
court to prevent Sealtest from
paying advertising allowances to
its wholesale customers in the
Philadelphia area. It contended
the practice was unfair and "detri-
mental to the public by caus-
ing consumers to pay excessive
prices."Atty. Owen B. Rhoads, Philadel-
phia, representing Sealtest, asked

STUNNED OVER
TIBET FAILURETOKYO (AP) — Red China ap-
parently has been stunned by the
Dalai Lama's insistence that it
savagely suppressed the Tibet-
an independence movement and
forced him into exile.This is suggested by the sudden
interruption of the plenary ses-
sions of the Chinese Parliament in
Peiping, and the official silence
the Reds have maintained toward
the fugitive young ruler's state-
ment.The Communists have been in-
sisting that the Tibetan rebels
forced the Dalai Lama to flee with-
out them. The Reds seem to have
counted on Prime Minister Nehru
muzzling his guest in the inter-
ests of Chinese-Indian relations al-
ready strained by events in Tibet.

Two-Day Recess

The Chinese people's congress
went into a two-day recess Sat-
urday soon after it opened, pos-
sibly to permit Mao Tze-tung, Pre-
mier Chou Enlai and other top
Reds to examine the new situa-
tion created by the Dalai Lama's
accusations.The Chinese delay in replying
to these charges—which have se-
riously damaged Peiping's pre-
stige in Asia — indicates that they
were caught flat-footed.They have had nearly a month
to prepare for the possibility that
the Dalai Lama would reach ha-
ven in one of Tibet's neighboring
countries and disclose the truth of
the situation in his homeland.

Bullets, Lafayette To Battle Here Wednesday At 3 In Key MA Contest

After being rained out of their sixth game Monday when they were scheduled to meet Muhlenberg at Allentown, the Gettysburg College baseball team (5-1) in concentrating on its big clash with Lafayette here Wednesday afternoon at 3 o'clock. The game with the Leopards will be the first of three straight home engagements, Georgetown playing here Friday and Dickinson on Saturday.

Henry T. Bream, college athletic director, announced the game with Muhlenberg will not be re-scheduled.

Last Year's Feud

Lafayette comes here sporting a winning streak of six straight and with practically the same team that was chosen to represent the Middle Atlantic Conference last year in the NCAA playoffs. The selection of Lafayette touched off a bitter situation with the Bullets who had won the division title with a 12-1 record but were passed by in the naming of second-place Lafayette to represent the conference.

Coach Bob Hulton has nominated his ace southpaw, Dick Hawkins, to oppose the Leopards. Hawkins turned in a brilliant performance in beating Western Maryland Saturday and showed no signs of the ailing arm which had plagued him for some time.

Lafayette, is coached by Charley Gelbert, is loaded with veterans, four being pitchers, one a catcher, five infielders and four outfielders. Each team is in top contention for the Middle Atlantic title again this year and both consider the coming game as one of the most important on their schedules.

Rabbit Was Good Omen For Pirates

PITTSBURGH (AP)—Last Saturday a rabbit scampered all over the diamond at County Stadium in Milwaukee during a game between the Braves and the Pirates. He was a smash hit with fans watching the game on television in the Pittsburgh area, especially since the Pirates won their first game after losing the first five of the season.

So Monday night a group of fans from nearby Indiana, Pa., presented the Pirates with a couple of good luck charms — two rabbits. Catcher Smokey Burgess accepted the rabbits in a special ceremony before a game with the Phillies. Rain halted the game at the end of the first inning. The score: Pirates 1, Phillies 0.

NEW YORK (AP)—Teddy Brenner of New York is the new matchmaker at Madison Square Garden. He succeeds Jack Barrett who took over when Billy Brown stepped down last May during the grand jury probe of boxing. Brenner, 40, has been promoting and making matches for an organization known as the New York Boxing Club which has been running non-TV fights on Monday nights at St. Nicholas Arena.

LEAGUE GAMES POSTPONED

Both games scheduled for Monday in the South Penn Scholastic Baseball League were postponed because of rain. Gettysburg and Chambersburg will meet here Friday, May 1, while Waynesboro plays at Shippensburg today to make up the postponement.

PITTSBURGH (AP)—Don't be two disappointed if you are unable to obtain tickets for the All-Star baseball game here July 7.

Forbes Field, where the game will be played, has a seating capacity of 35,000. But only an estimated 12,000 tickets will be available to the general public after Pittsburgh Pirate season ticket holders are satisfied and the commissioner's office and the two major leagues make their allocations.

Commissioner Ford Frick hasn't authorized the Pirates to accept applications yet, but the club figures it may receive about 60,000 requests.

There's one consolation: The game will be televised.

MOUNT GAMES OFF

Two Mt. St. Mary's College teams were rained out of scheduled contests at American University on Monday. The baseball game and tennis match were cancelled.

AL KALINE OFF TO BEST START IN 4 SEASONS

DETROIT (AP)—Al Kaline is off to his best batting start in four seasons and he thinks he can keep up the good work.

It has been suggested by the Detroit Tiger front office that a good start by Kaline would assure a fast start by the club. The 24-year-old right fielder, who won the American League batting crown in 1955 before he reached his 20th birthday, has disproved that theory.

The Tigers have lost six of their first seven games but Kaline is hitting .467 on 14 hits in 30 trips. A notoriously slow starter, Kaline has hit well in the spring only once before, when he captured the crown with a .340 average in his second full year in the league.

Kaline's average dropped to .314 the year after he won the title, then to .295 the following season. Last year he batted .313 but his home run and RBI mark were down again.

"Now I'm trying not to swing so hard," he said Monday.

"People try to be nice when a guy is in a slump, and you get all sorts of advice and suggestions. But I think I've been trying to take everyone's advice and consequently I've been a pretty mixed up guy at that plate sometimes. Maybe if I keep my eyes open and my ears closed, I can have a real good year."

Organizes Women's Net Team At SSTC

Sidney Steinour, a freshman at Shippensburg State Teachers College, has organized a women's tennis team at the school and it opened its season last Thursday by defeating Millersville State Teachers College 4½-2½.

Steinour, son of Mr. and Mrs. Morris Steinour, 330 Baltimore St., has won many local tennis tournaments over the last several years.

BURKE WINS AT HOUSTON

HOUSTON (AP)—Jack Burke Jr. moved over to his new champions golf course today after scoring an amazing 64 to beat Julius Boros in the 18-hole playoff for the \$30,000 Houston Golf Classic title.

Burke's 30-34 — 64, one stroke short of the tournament record, gave him \$4,300 and jumped him from 30th to 10th place among the year's leading money winners.

The 64 Monday left Burke five strokes ahead of Boros, who won \$3,000 in second money over the 7,133-yard par 72 Memorial Park course.

Boros and Burke had finished the 72-hole tournament Sunday in a tie at 277.

Burke today joined Jimmy Demaret in formally dedicating and opening their new 18-hole Champions course northwest of Houston. Burke, who does not approve of Las Vegas gambling, is passing up this week's tournament there but will compete next week in the Colonial National Invitation at Fort Worth.

DODGERS BEAT GIANTS 2-1; NOW RATE 2ND

By ED WILKS Associated Press Sports Writer

For the first time since they blew out of Brooklyn, the Dodgers are sitting second in the National League.

They got there the way they used to do business, winning with the big pitcher and the big home run.

Monday night at San Francisco, Don Drysdale's three-hit, 11-strikeout job good for a 2-1 victory at the Coliseum over the San Francisco Giants and Sad Sam Jones.

Drysdale, 22, called it his best game ever after collecting a 2-1 record and running up a string of 18 innings in which he has allowed but one run.

Close To Braves
The Dodgers, who finished seventh last year, never were higher than third in that inaugural season at Los Angeles. Fact is, they haven't been as high as second since Aug. 31, 1957.

At the moment, the Dodgers are just percentage points (.333) behind Milwaukee's front-running Braves, who were idle. The Giants slipped to third, a half-game back.

Only two other games were scheduled in the majors Monday, and both were rained out. In the National, Pittsburgh had a 1-0 first inning lead over Philadelphia before calling it quits. In the American League, New York's game at Boston didn't even get started.

Drysdale Leads
Drysdale, who now leads the majors with 25 strikeouts and has won four straight from the Giants since Aug. 8, was touched for Willie Mays' first homer of the season with two out in the first. Then he put down 21 in order before Andre Rodgers singled with two out in the eighth.

The young and lanky right-hander's lone moment of worry came in the ninth. With two out, Jackie Brandt beat out a roller, and Mays, just missing another homer with a foul ball sliced to right, drew Drysdale's only base on balls. The Dodgers then put it away after Orlando Cepeda banged into a force out for his first hitless game of the season.

Sad Sam (1-2) lost his second in a row, giving up six hits, walking five and striking out two. The Dodgers got the tying run home in the second on a walk, sacrifice and singles by Norm Larker and Don Zimmer. Jones then blanked the Dodgers on three hits until Neal rapped his first 1959 home run, into the left-center field seats.

Two Big Jobs Requiring Skill Face New Secretary

By LEWIS GULICK

WASHINGTON (AP)—Tall, soft-spoken Christian Archibald Herter has a reputation for winning and keeping friends.

This talent has paid off handsomely in his political career. It will be valuable, too, when he becomes secretary of state, the new job President Eisenhower has picked him to fill.

Whether Herter has the toughness the Russians seem to respect more than friendliness remains to be seen. For although Herter is undersecretary for the past 26 months has been the No. 2 man in the State Department, that gave him little chance to represent the United States at the international conference table.

Two Big Sessions Coming

Until illness forced him to yield that role, John Foster Dulles ran pretty much of a one-man operation in the negotiating field.

Things will change fast for Herter now. Already he is committed to attend at least two international sessions on the German problem—at Paris starting April 27 and at Geneva beginning May 11. Both are expected to require the utmost in diplomatic skill.

Herter grew up in the foreign affairs field. He was born 64 years ago in Paris, where his parents,

artists Albert and Adele Herter, were studying.

Harvard Grad

He was graduated from Harvard University with honors in 1915.

Herter had first decided he wanted to be an architect. But tales of life abroad caught his imagination as a young man, and he enlisted in the U.S. Foreign Service.

In 1919 Herter went to Germany with Herbert Hoover to help direct the American Relief Council there. Later he became an assistant to Hoover when Hoover was secretary of commerce.

In Politics In '31

The youthful Herter got into Massachusetts politics in 1931, winning a seat in the lower chamber of the Massachusetts General Assembly. By 1939, he was speaker of the Massachusetts House, a post he kept four years.

By 1942, Herter was ready for bigger game—Congress. He barely managed to squeak by in his first try—by a margin of 2,900 votes.

The story was much the same when Herter decided to run for governor of Massachusetts against Paul A. Dever in 1952. Most observers didn't think he had a chance, but he came through with

a 14,000-vote edge.

Early Backed Of Ike

When he ran for governor a second time in 1954 Herter piled up a 75,252 margin over his opponent, even though he was running as a Republican in a year when Democrats seemed to be ruling the roost.

Herter was an early backer of Dwight D. Eisenhower for President. And in 1956 he agreed to return to Washington, as undersecretary of state.

Meanwhile, during his decade on Capitol Hill, as well as earlier, Herter had become known for his activities in foreign relations.

Likes To Travel

Herter is reputed to have a tremendous capacity for absorbing and retaining information. Herter, like Dulles, also likes to travel. There is some doubt among State Department aides, however, that the new secretary will fly overseas as frequently as Dulles did as secretary.

Instead of trying to do everything himself, Herter has a reputation for delegating authority.

He's A Grandfather

Assistants say he avoids trying to dictate a solution to any problem that is being considered. Rather he prefers to get people to work out and talk out their differences.

But when Herter thinks patience is no longer a virtue, he makes a decision and tells the others about it, aides say.

The Herteres were married Aug. 25, 1917, and have four children:

PHIL AND MIMI LIVE HAPPILY ON OWN RULES

By DOROTHY ROE

Associated Press Women's Editor. Mimi Hines is one of the world's most happily married women, and nobody can understand why.

As half of the suddenly famous comedy team of Phil and Mimi Hines, Mimi has broken all the rules for a happy marriage. She doesn't darn her husband's socks, or cook big juicy steaks for his dinner. She doesn't stay demurely in the background when he tells a funny story.

Tried A Trailer

Since their marriage seven years ago, Phil and Mimi have never had a home, or even an apartment. Most of the time they live on trains and planes, with an occasional hotel suite.

"Once we did buy a 37-foot trailer, all painted silver and big as a locomotive," says Mimi. "I decided I would be domestic and put up frilly curtains and learn to cook."

Booked In Paris

"Mimi's idea of learning to cook was to stick to one thing until she mastered it," says Phil, "so we had roast duck with orange sauce every night for a week. Then the trailer burned up when a brake caught fire going down a mountain road and we gave it all up."

Mimi and Phil have been on stage almost since birth. Mimi made her debut at the age of 2 and Phil was not much older.

They met in Anchorage, Alaska, where each was doing a separate night club act. Mimi's club went broke and Phil's partner quit, so they formed a team.

This summer they're booked to appear in Paris and at the Moscow Exhibit. What do they plan to dish out for the Soviets?

Would Like Children

"Oh, just our usual act," says Phil. "Mimi's brand of humor is sort of universal. When she falls on her face, you can laugh even in Japanese."

Phil and Mimi would like to have children some day, but they have no intention of settling down in a split-level ranch house.

"They'll probably be born on a jet plane somewhere," Mimi says, "and we'll just work them into the act."

MAY BAN TRAILERS

TRENTON, N.J. (AP)—The Supreme Court ruled Monday that Gloucester Township has a right to prohibit trailers as permanent homes, even if they are set on concrete foundations.

By a 5-0 vote, the court reversed an appellate division decision in the case of a Philadelphia woman, Mrs. Laura Napierkowski, who wanted to live with her husband in a trailer in the township.

TOO MANY HOURS

PITTSBURGH (AP)—A police officer in suburban Peters Twp., with what he calls an average work week of 126 hours, has resigned.

Christian Archibald Jr., Frederic Pratt, Adele (Mrs. Joseph Serone) and Eliot Miles. There are a dozen grandchildren.

Trainmen Going To Ask Pay Boost

CLEVELAND (AP)—A 14 per cent pay increase will be sought by the Brotherhood of Railroad Trainmen for its nearly 200,000 members in negotiations on a new contract this year.

This was announced by W. P. Kennedy, brotherhood president, who said notices of the union's demands are being sent to the nation's railroads. He said the demands are based on recommendations of the brotherhood's wages-rules committee and have been adopted by the union's general chairman's association.

The BRT, which represents brakemen, conductors, yardmasters and dining car employees, also is asking that the cost-of-living bonus be added to the basic rates before the 14 per cent boost is computed. The bonus, at present 13 cents an hour, is based on the rise or fall of the cost-of-living index.

TV TIDE TURNS AGAIN TOWARD NEW YORK CITY

By CHARLES MERCER

NEW YORK (AP)—About a year ago the television networks appeared intent on making Hollywood the capital of TV entertainment. Now the tide appears to be turning back to New York.

The list of filmed Westerns and comedies originating in Hollywood is long. But with a few exceptions the big, widely discussed programs of quality have continued to come from New York. It now is certain that next season New York will firmly resume its position as the nation's television capital.

The reasons are numerous. Positively it is not because Hollywood technicians and facilities are inferior to those in New York. In fact, West Coast studio space is more commodious.

Some Outstanding

There have been some outstanding shows from Hollywood this season. Fred Astaire's show undoubtedly was the best single song and dance program visible on the home screen. Dinah Shore's program retains consistent quality. "Playhouse 90" has offered many fine dramas from the West Coast.

At the same time there have been distressing failures. There were high hopes for "Desilu Playhouse" at the beginning of the season. But it has proved generally to offer second and third-rate dramatic entertainment. Since it sells the sponsor's product, however, it will return next season.

As of the moment, the only distinguished drama one can expect to see originating from Hollywood next season will be on "Playhouse 90"—and there are rumors that

signed. Robert Clark says he's going to take a job as a laborer in a cemetery.

Based on his monthly salary of \$235, Clark said he was averaging less than 25 cents an hour. He also objected to having no days off and no paid vacation.

LOUISE SUGGS RALLIES TO WIN \$10,000 OPEN

DALLAS (AP)—Louise Suggs, as imperturbable as her putter, led women's golf both in money earned and stroke average today as the tour moved on to Spartanburg, S. C.

Miss Suggs took over top billing with victory in the \$10,000 Dallas Woman's Open Sunday.

Three first places and three seconds in 11 tournaments built the jackpot to \$6,983.72 for Miss Suggs, dubbed Miss Poker ace of golf.

Her stroke average is under 3 per round. She led with 73.85 going into this tournament and averaged 71.75 Sunday in winning the Dallas Open with 287 for 72 holes and taking \$1,662.50.

Tied At 18th

Miss Suggs came into the eighteenth hole Sunday tied with

some shows will come from New York following the successful taping of "For Whom the Bell Tolls" here.

TV Business Center

Certainly New York has vast resources of acting talent. With the innovation of tape, it's possible to draw on the casts of Broadway hits to do TV shows in free time—as in "For Whom the Bell Tolls." Producer Fred Coe said that the most desirable cast for that drama was to be found on Broadway—not in Hollywood.

There is another reason for the ascendancy of New York, however. This is the business center of television. Sponsors make their TV investments through agencies and networks here, and they like to be close to the scene of production on big and expensive specials.

Third was Joyce Ziske of Watertown, Wis., who had a closing 71 and wound up with 294 for 72 holes and won \$997.50.

Betsy Rawls of Spartanburg, S. C., took a 77 for 295 and fourth place winning \$831.25.

Engineer Swamped With Spray Calls

STATE COLLEGE, Pa. (AP)—It's gotten so bad in the last week that Donald Dorneman can hardly walk down the center of town here without being stopped a dozen times and asked for a free tree spraying job.

Dorneman is the borough engineer and is in charge of a free tree spraying program which the Borough Council offered residents a week ago.

The borough engineer said he expected about a dozen residents to take up the offer. Already some 200 calls have come in for the free service.

There are about 3,800 homes in the borough—each with trees apt to get tent caterpillars as the next—and borough officials are wondering now just how much their generous offer will cost.

ORANGE, N.J. (AP)—Tony Galento, former heavyweight boxing contender, was arrested at his home Monday on a charge of maintaining a gambling house.

Acting on a neighbor's complaint, police said three patrolmen raided the ex-boxer's house at 673 S. Center St. at about 2 a.m. and broke up a card game.

Wiffi Smith of St. Clair, Mich., for the lead if she got par 4 on the final green. However, she laced her second shot within eight feet of the cup and sank the putt that prevented a playoff.

Miss Suggs closed out with a 72 while Miss Smith also shot the same total and finished with 288, winning \$1,282.50.

Third was Joyce Ziske of Watertown, Wis., who had a closing 71 and wound up with 294 for 72 holes and won \$997.50.

Betsy Rawls of Spartanburg, S. C., took a 77 for 295 and fourth place winning \$831.25.

STATE SPEEDS PAYMENTS ON ROAD REPAIRS

HARRISBURG (AP)—The state Highways Department today went ahead with plans to make some 18 million dollars in accelerated state payments to local governments for roadway improvements.

The department Sunday certified the payment of \$18,540,636 to 1,573 local governments as 90 per cent of a full year's share of funds from the state motor license fund. The certification went to the auditor general and state treasurer for payment.

Many Yet To File

Highways Secretary Park H. Martin said the money was being paid in such amounts under Gov. Lawrence's speed up subsidy plan to help fight unemployment.

Gov. Lawrence called for payment of 27 million of a 30 million dollar fund in one lump sum now rather than half now and the balance in a later semi-annual payment.

Martin said 2,560 other municipalities still have to file applications for the balance of the 27 million in order to benefit from the accelerated payment plan.

PRINCETON, N.J. (AP)—Homer C. Zink, retired chairman of the State Parole Board and former state senator and state controller, died Sunday in Princeton Hospital after a long illness. He was 76.

Zink, who lived at Belleville, achieved prominence as an economy advocate during his legislative career in the 1930s. He retired last July after 10 years as parole chief.

R. I. Police Stage First Liquor Raid

BARRINGTON, R. I. (AP)—Police staged Monday their first liquor raid since the town went dry 25 years ago.
They seized 410 gallons of wine and arrested Albert Piccerilli, 75, on a charge he was selling it at \$1.50 a gallon.
Police Chief George W. Robbins said several high school teen-agers told him they gained admittance to Piccerilli's cellar by using the passwords: "Elsie sent me," or just "Booze."
Barrington is the only dry community in Rhode Island.

TO TAKE ACTION AGAINST PAIR FOR CONTEMPT

HARRISBURG (AP)—A legislative investigating committee meets today with leaders of both houses to set up procedure for contempt action it plans against two men who declined to testify in the probe of a coal mine disaster.

Cochairman Sen. Frank Koprivier (R - Allegheny) said action is planned against Louis Fabrizio, owner of the Knox Coal Co., Luzerne County, and Robert Dougherty, former president of the company.

"We have been insulted by the attorneys of these two men and we are not going to stand by idly and take it," Koprivier said.

Declined To Testify
Both men declined to testify or submit company records to the committee which is investigating the cause of a Knox company mine flooding near Pittston which entombed 12 men last Jan. 22.

Koprivier said that under the State Constitution the Legislature is empowered to cite for contempt and jail any person who refuses to honor its power or disrupts its proceedings.

"I believe this will be the first such action ever to be taken by the Pennsylvania Legislature in such a case," Koprivier said.

Could Use Subpoena
Under the Constitution, the Allegheny County lawmaker said the Legislature would subpoena the men and their company records.

If the men either failed to appear before the Legislature or did answer questions or submit records, they would be in contempt of the General Assembly and sent to prison, Koprivier said.

Fabrizio last week was refused an injunction by Dauphin County Court and was told Monday in a written opinion that the committee was operating legally in its probe.

Claimed "Illegal"
Fabrizio contended the committee was illegally established by a legislative resolution rather than a bill signed by the governor. He has appealed the Dauphin County Court ruling to the State Supreme Court.

Koprivier said Fabrizio and Dougherty attempted to "embarrass the committee and frustrate its important work" by refusing to answer committee questions at public hearings in Wilkes-Barre.

He said the Senate alone would call Fabrizio and Dougherty rather than the House or both branches.

"Because there are only 50 senators it will be easier and less cumbersome to have the men appear before just that body," Koprivier said.

The first successful submarine telegraph cable was laid between Dover, England, and Calais, France, in 1851.

Seeking Rattle, He Wrecks Truck

LONG BEACH, Calif. (AP)—Fireman John W. Makemason was listening for a rattle as he drove Monday. Now everything rattles in his pickup truck.

While Makemason had his ear cocked for the rattle, the truck jumped a curb, knocked down a sign and smashed into a tree. Makemason had to get 20 stitches in his forehead.

TRACE SOURCE OF FISH THAT KILLED BOY, 3

WASHINGTON (AP)—Federal officials believe they have traced the sources of a load of poisoned fish that killed a Haddon Heights, N. J. boy and touched off a widespread food scare.

"Discussions are now underway in the executive branch to determine what steps should be taken," Secretary of Welfare Arthur S. Fleming said Monday without going into further details.

Fleming said the department feels it has determined responsibility for the death of the child who had eaten fish treated with large quantities of sodium nitrite as a preservative.

The boy, Dale Kleinschmidt, 3, was stricken March 24 along with his entire family of six. The others recovered. The fish was traced to a Philadelphia wholesaler.

The Food and Drug Administration said 1,800 pounds of fish had been poisoned. Residents in Pennsylvania and New Jersey were warned for several days against eating flounder.

Fleming said the Food and Drug Administration had made a study whether such an occurrence could happen again. The great bulk of the nation's fish supply does not contain nitrites or other harmful preservatives, he said.

Sodium nitrite cannot be used legally in the United States but has been permitted by some countries that export fish here, Fleming said.

"In no instance, however, did the survey reveal an amount of nitrite even remotely approaching that involved in the Haddon Heights incident."

Some recent imports have been refused, he said, because of the nitrite content.

Oldest Grad Of "Point" Honored

WEST POINT, N.Y. (AP)—West Point's corps of cadets Monday saluted an old soldier on his 99th birthday.

He is Maj. Gen. Henry Clay Hodges, Stamford, Conn., retired since 1921. He is the academy's oldest graduate, class of 1881.

The 2,400 cadets sang "Happy Birthday" and presented him with a cake with 99 candles. They also gave him a cadet officer's sash.

TEST AGAINST THE REST SEE FOR YOURSELF WHICH VALUE'S BEST THE LARK BY STUDEBAKER

➤ Come in and drive The Lark—compare it with any other car for value. You'll find The Lark stands alone. ➤ SIZE—three feet shorter than conventional cars, yet room for six in spacious comfort. ➤ SAVINGS—The Lark costs less to buy, far less to operate—lowest of all insurance rates, far lower gas and maintenance bills. ➤ ENGINEERING—skilled Studebaker craftsmanship plus spirited "6" or super-powerful V-8 performance. ➤ STYLING—so fashion-right, it's approved by Harper's Bazaar. Wrap-around view of the road, Sapphire-Enamel finish that needs no waxing, handsome interiors in practical vinyls. ➤ Small wonder Lark sales are way up (fastest rising sales curve in the industry).

The LARK's amazing gas economy was recently proved in the Mobilgas Economy Run when The LARK V-8 equipped with automatic transmission outscored all other V-8's by delivering 22.28

miles per gallon. The LARK "six" turned in even better mileage. The LARK is available as a 2 and 4-door sedan, station wagon and hardtop. Overdrive also optional on all models.
